

NOTICE OF PUBLIC COMMENT PERIOD

Groundwater Investigation and Proposed Corrective Action Completion

Available for Public Review

**BRITANNIA EAST GRAND
450-660 East Grand Avenue
South San Francisco, California 94080**

PUBLIC COMMENT PERIOD: June 5, 2007 to July 20, 2007

WHAT'S BEING PROPOSED?

The California Department of Toxic Substances Control (DTSC) is requesting public comment on the facility groundwater investigation and the determination that groundwater corrective action is complete at the Britannia East Grand property (Site), located in South San Francisco. The facility groundwater investigation results are summarized in the Phase III RCRA Facility Investigation Report (Phase III RFI Report) and the Pore Water Report, which demonstrate that no significant groundwater contamination exists at the Site based on protective ecological levels. Based on these reports, DTSC seeks public comment on the proposal to take no further corrective action for groundwater at the Site.

WHY THIS NOTICE?

The purpose of this notice is to provide the public with the opportunity to learn more about the project and to provide comments to DTSC on the proposal to take no further corrective action for groundwater at the Site. Written comments must be postmarked by July 20, 2007.

HOW DO I PARTICIPATE?

Your participation is encouraged. Comments concerning the Phase III RFI Report and the Pore Water Report must be submitted in writing and postmarked by July 20, 2007 to: John Bystra, DTSC Project Manager, Department of Toxic Substances Control, 8800 Cal Center Drive, Sacramento, CA 95826. Comments may also be submitted by email and should be sent to: jbystra@dtsc.ca.gov. For more information you may also contact Marcus Simpson, DTSC Public Participation Specialist at (916) 255-6683.

PUBLIC HEARING

DTSC has not scheduled a public hearing on the proposed RCRA Facility Investigation approval and corrective action completion determination. However, interested parties may request a public hearing in writing. Public hearing requests must state the reasons for the public hearing and the issues or concerns that would be aired. Public hearing requests must be sent to John Bystra at the address above and be postmarked by July 20, 2007.

WHERE DO I GET MORE INFORMATION?

A copy of the Phase III RFI Report, Pore Water Report, and Statement of Basis are available for review in the information repositories located at the DTSC Berkeley Office, 700 Heinz Avenue, Berkeley, California 94710, please call (510) 540-3800 for an appointment, and at the Grand Avenue Branch Library, located at 306 Walnut Ave, South San Francisco, CA 94080, (650) 877-8530. These documents are also available at DTSC's website: <http://www.dtsc.ca.gov/HazardousWaste/Projects/Britannia.cfm>
